Agenda

About Us

- Incorporated in the year 2016, Hexacell Packaging Pvt. Ltd started its manufacturing line in the year 2017 at strategically located near NH-48 covering the whole western region.
- We are into manufacturing of Paper Honeycomb Core & Boards, Paper Honeycomb Pallets & Boxes and Paper Angle Boards.
- Our Products are made from virgin and re-cycled kraft paper and glue.

Our Products

Paper honeycomb can replace a variety of materials, including:

- **Wood:** Paper honeycomb can replace wood in packaging, pallets, and other applications.
- **Thermocol:** Paper honeycomb can replace thermocol as an infill.
- **Corrugated cardboard:** Paper honeycomb is a strong alternative to corrugated cardboard.
- **Wooden packaging:** Paper honeycomb is more affordable than wooden packaging.
- **Bubble wrap:** Paper honeycomb is a sustainable alternative to plastic bubble wrap.
- **PUF, MDF, EPE foam, and particle boards:** Paper honeycomb is replacing these materials due to its flexibility and environmental friendliness.

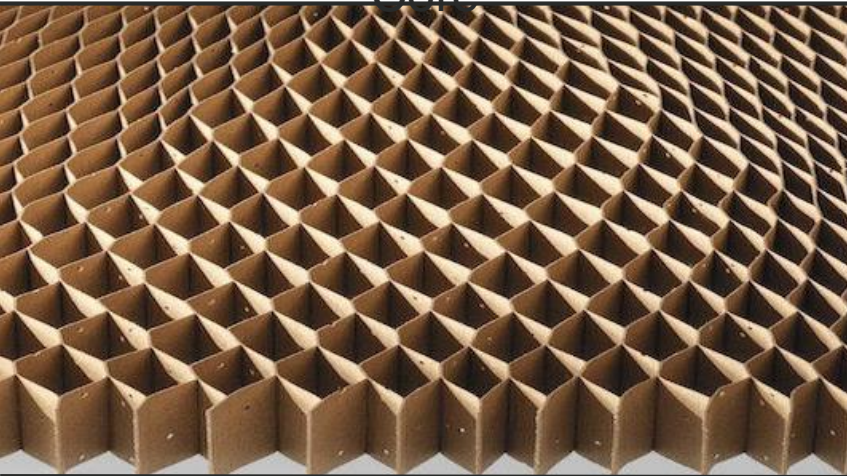

HEXACELL

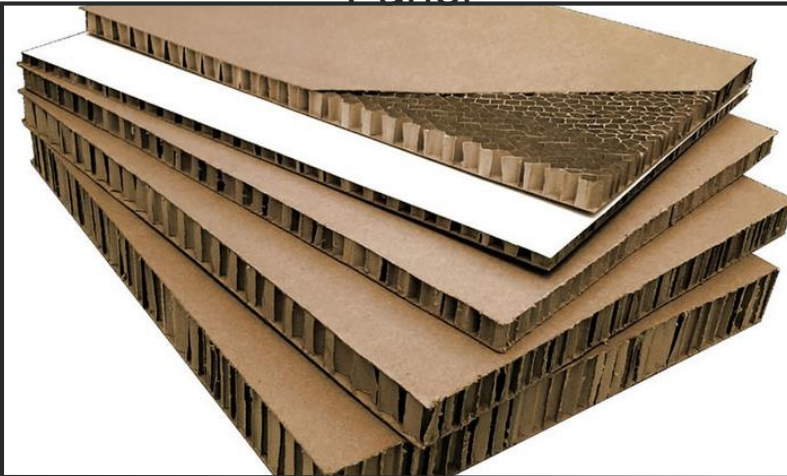

Primary Products

Paper Honeycomb
Core

- 01. Maximum Width - 2100 mm
- 02. Cell Side in mm -4.5/8/10/12
- 03. 12 mm to 100 mm thickness

Paper Honeycomb
Panel

- 01. Maximum Width - 1600 mm
- 02. Online Cutting

Paper Edge
Protectors

- 01. U, L and Flat Profiles
- 02. 3 mm to 8 mm thickness

Secondary Products

**Paper Honeycomb
Boxes**

**Paper Honeycomb
Separators**

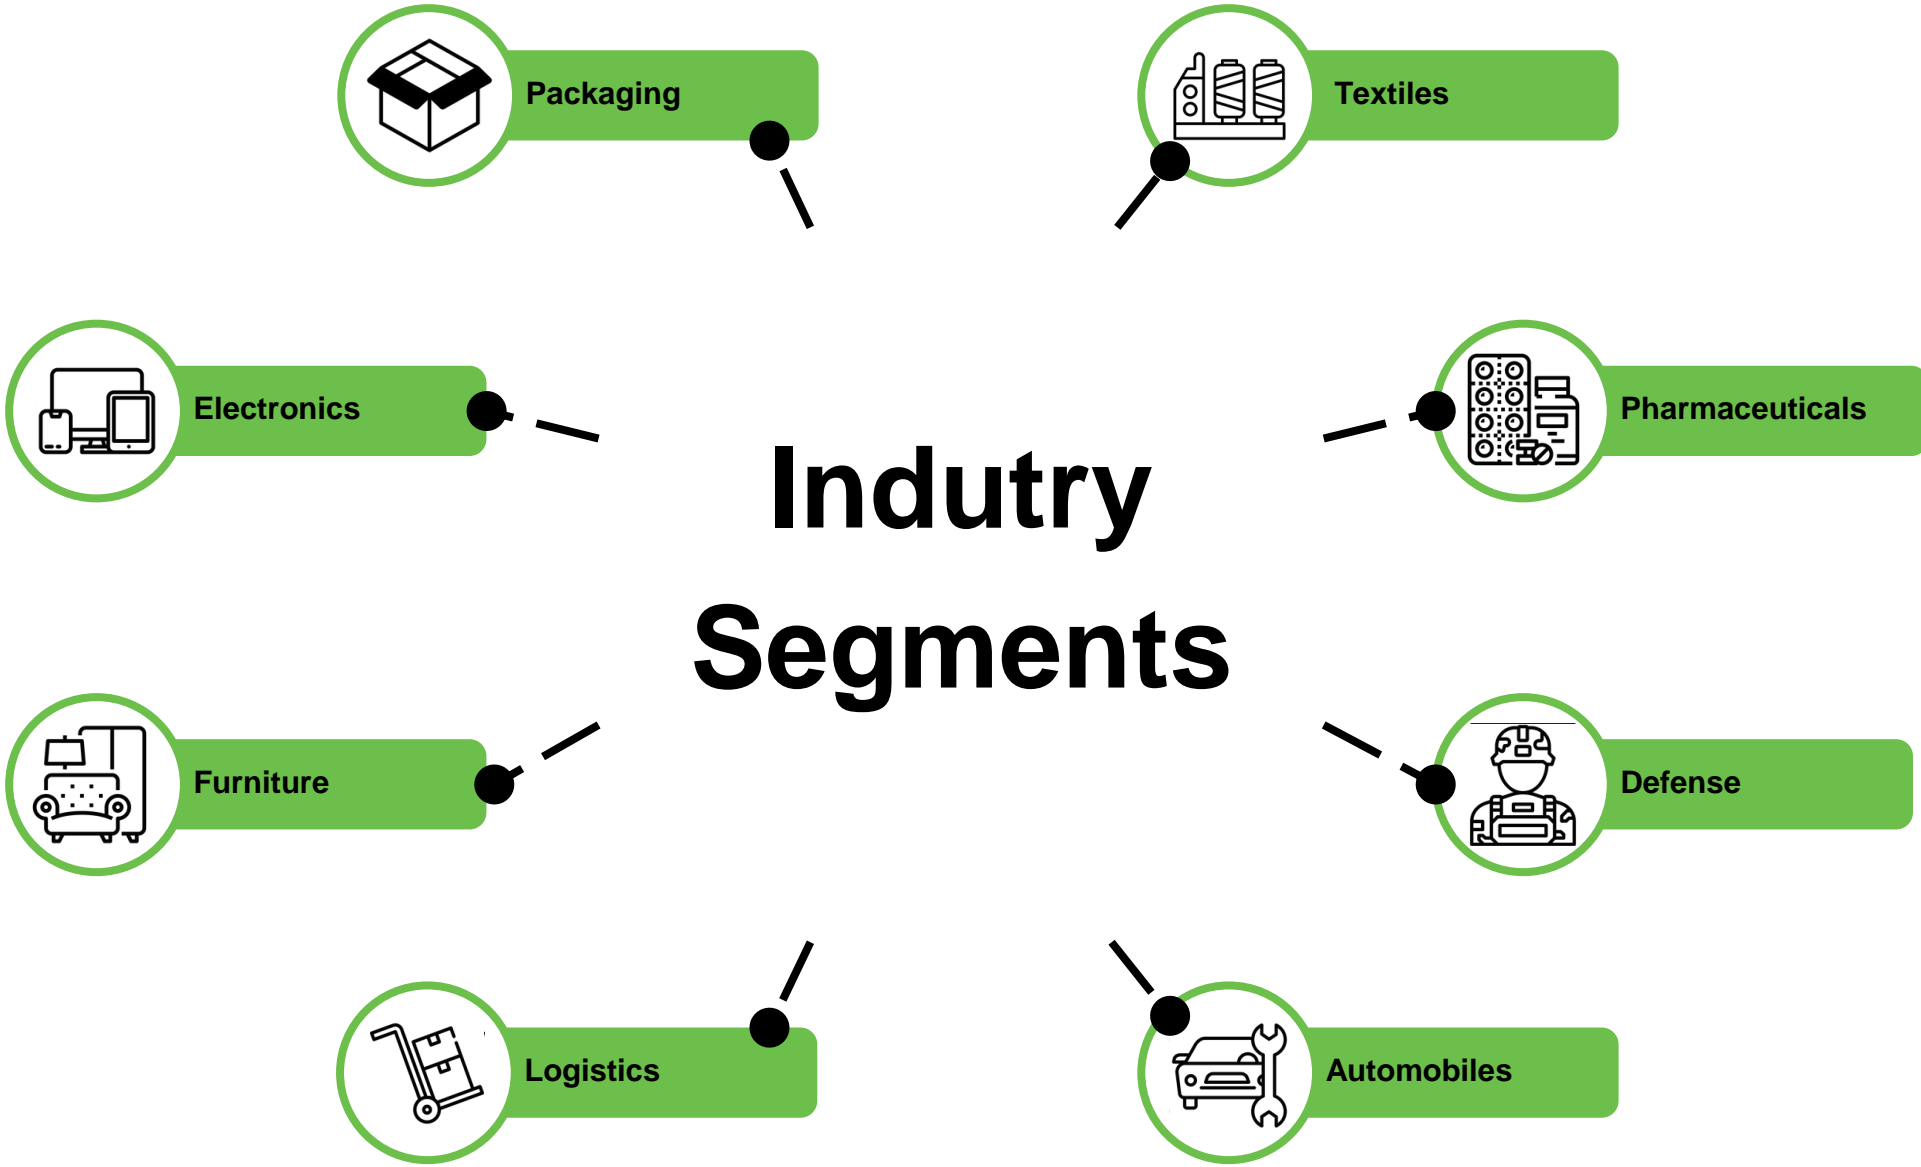

**Paper Honeycomb
Pallets**

**Paper Honeycomb
Infill**

**Paper Honeycomb
Buffers**

Applications

Textile – Yarn

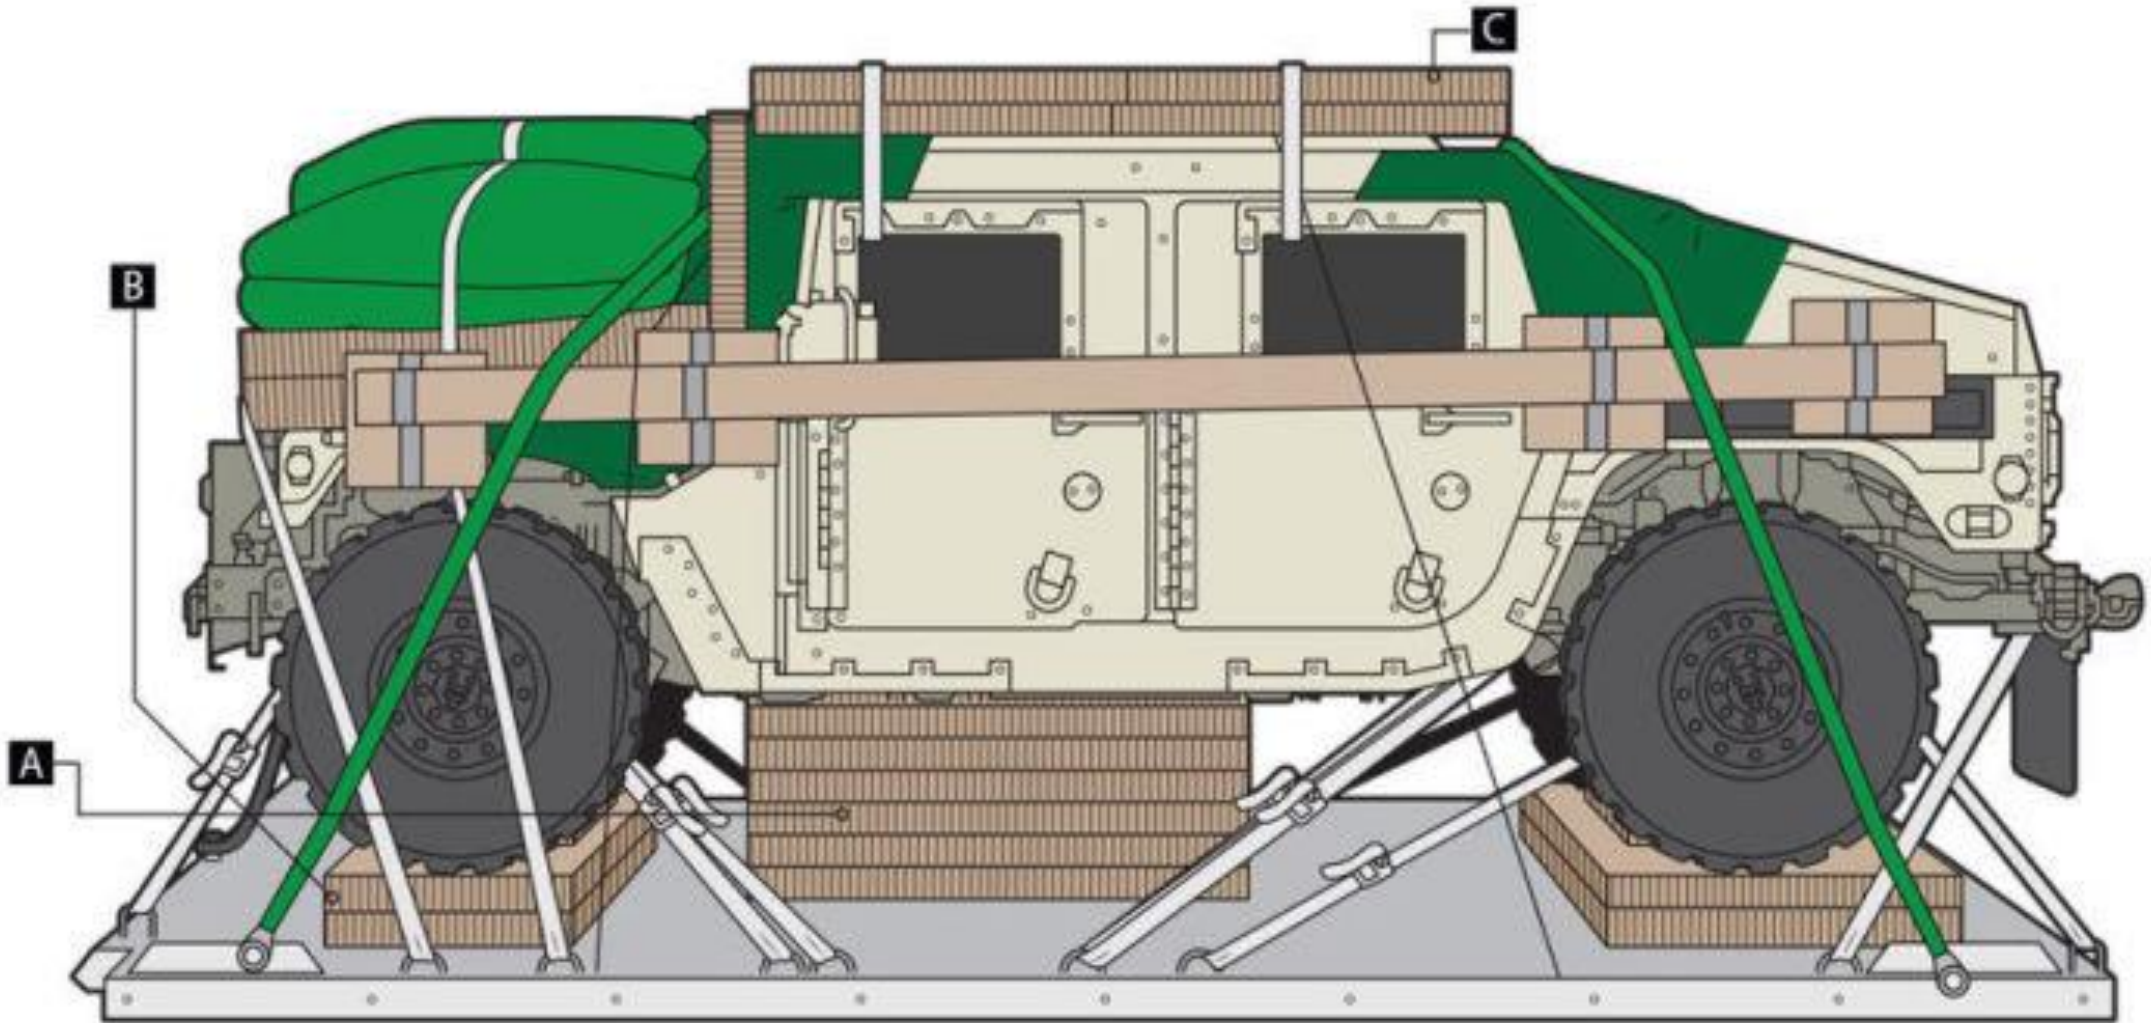

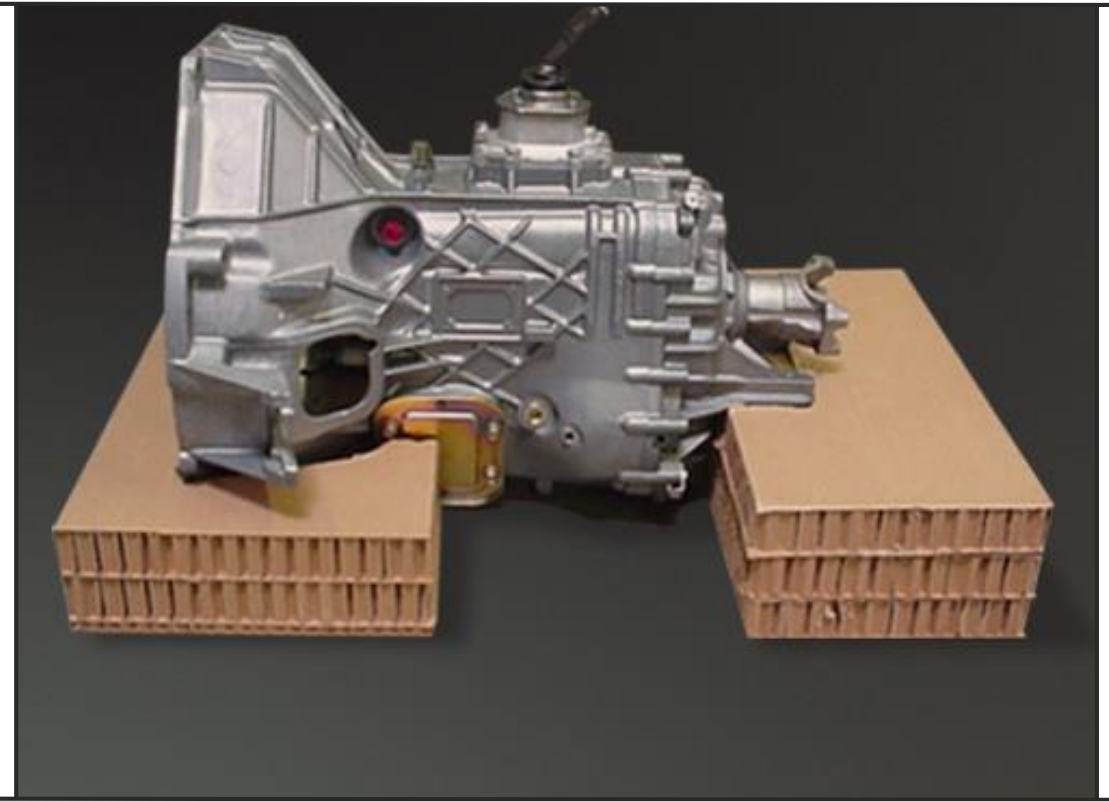

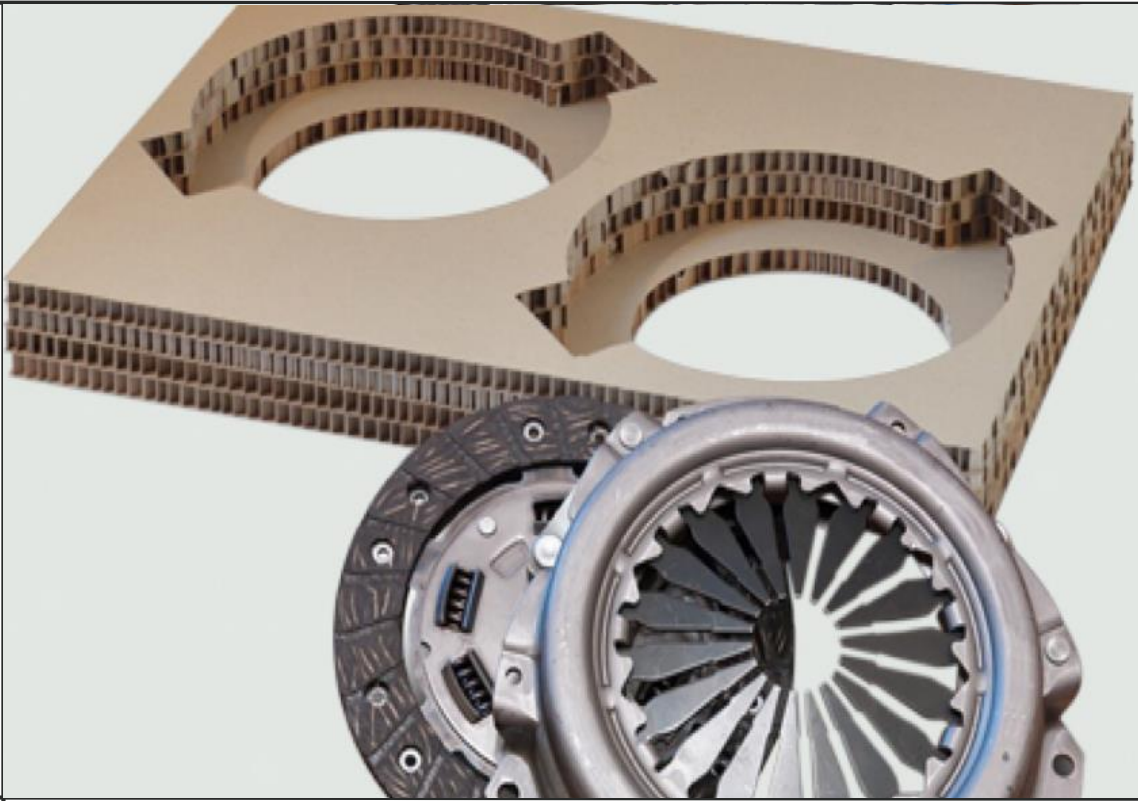

Military

Application

Automobile

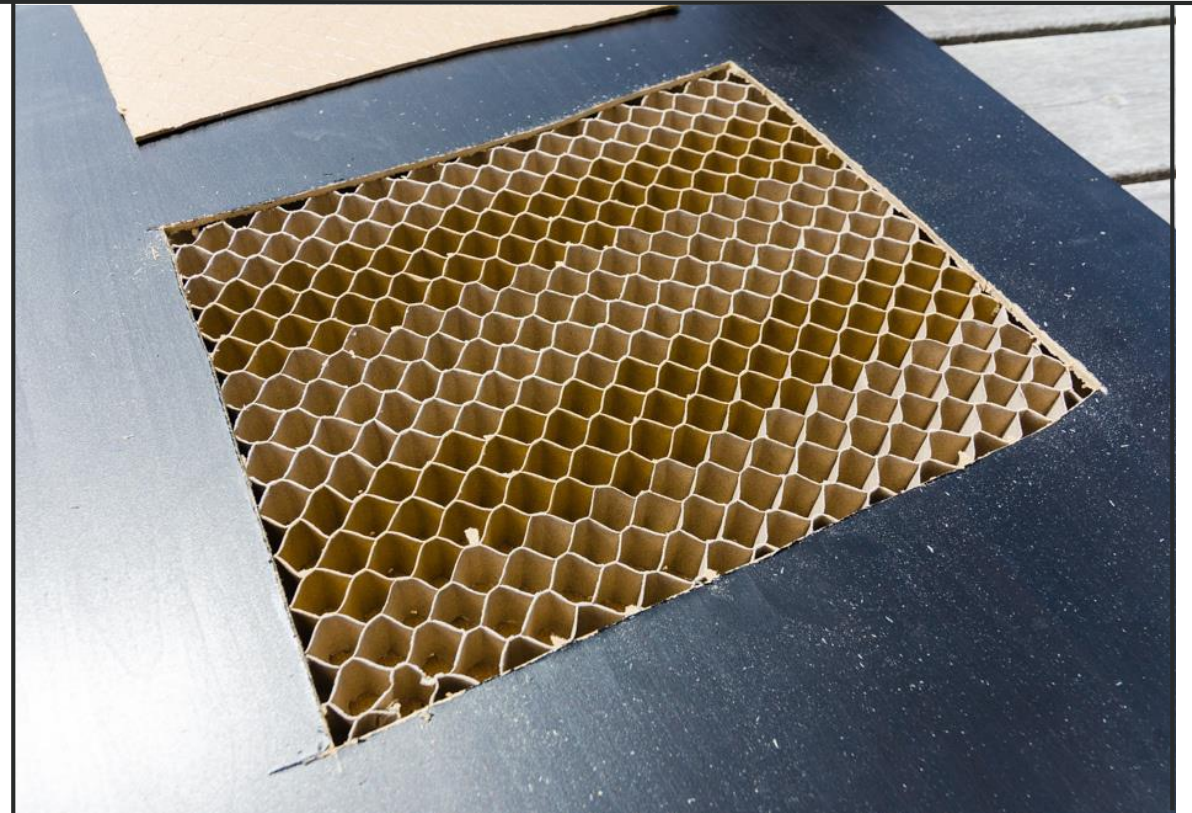

Logistics - Oil Bottles, Barrels and Tin Separators

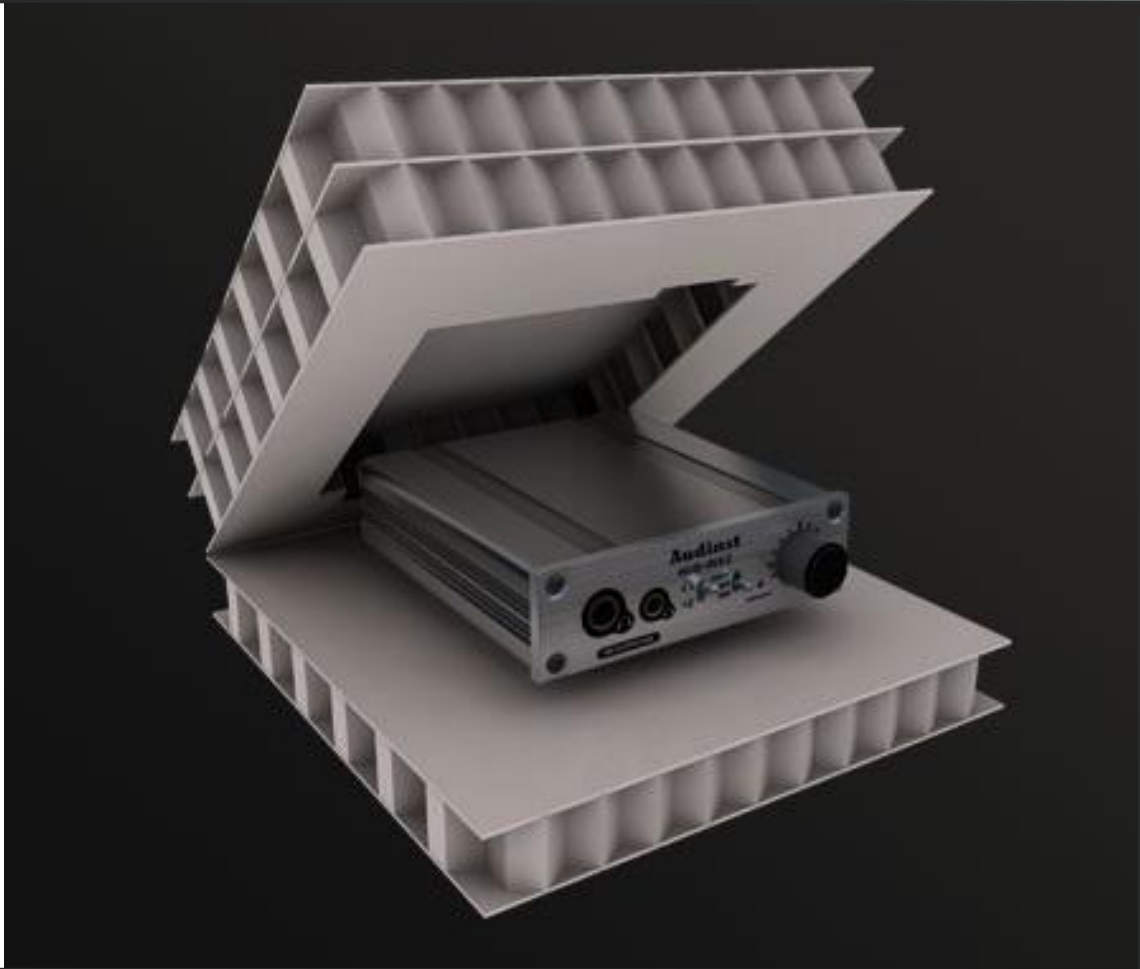

Furniture

Furniture

Electronics

Wall Partition , POP & POS

Packaging - Honeycomb Box

Paper Angel Board, Flat Board and U Board

Paper Pallets

Paper Pallets
